"the royal road to romance was halliburton's first book and doesn t include a dull page. it details how the young princeton university student cast aside any notions of a serious career, choosing instead to visit a vast array of countries from england to japan. during the course of these travels he undertook every sort of madcap adventure that he could find, including swimming the famed hellespont, exploring the jungles of india, and becoming the first foreigner to astonish japan by climb snow-covered mount fujiyama in midwinter. "let those who wish have their respectability - i wanted the freedom to search the farthestmost corners of the earth for the beautiful, the joyous and the romantic," he wrote. this is the exciting, and charming, story of how this famed traveler found all those dreams, and more. ...more</p>	<p><a href="#">Readable/Downloadable</a></p>
