THE APPRENTICE'S SORCERER: LIBERAL TRADITION AND FASCISM

20th-century european fascism is conventionally described as a fierce assault on liberal politics, culture and economics. departing from this analysis, landa highlights the long overlooked critical affinities between the liberal tradition and fascism. far from being the antithesis of liberalism, fascism, both in its ideology and its practice, was substantially, if dialectically, indebted to liberalism, particularly to its economic variant ...more
