

HOW TO SPOT A DANGEROUS MAN BEFORE YOU GET INVOLVED: DESCRIBES 8 TYPES OF DANGEROUS MEN, GIVES DEFENSE STRATEGIES AND A RED ALERT CHECKLIST FOR EACH, AND

Free access ebook for how to spot a dangerous man before you get involved: describes 8 types of dangerous men, gives defense strategies and a red alert checklist for each, and by sandra l. brown "how in the world did she get involved with him?" "why has she chosen yet another problem man?" women often do not adequately define for themselves what "dangerous" is, and many women ignore their own warning signals during the early phases of meeting men or dating them. educated and professional women as well as high school girls often date five or six dangerous men before "how in the world did she get involved with him?" "why has she chosen yet another problem

man?" women often do not adequately define for themselves what "dangerous" is, and many women ignore their own warning signals during the early phases of meeting men or dating them. educated and professional women as well as high school girls often date five or six dangerous men before they learn to avoid them. they do not figure out who they should not be dating and how they can know this early on. how to spot a dangerous man before you become involved helps women of any age learn the warning signs. the author describes eight types of potential "problem" men, giving their specific traits and characteristics and showing women how to recognize and avoid them. what is a dangerous man? the word immediately implies life-threatening, violent, and many men are. but "dangerous" can also mean coddled men who want mothers not partners, emotional predators who want lonely and passive women, permanent clingers who won't go away when asked to leave, neurotics with relationship-killing behaviors, the mentally ill or addicted, and the ever-eager emotionally unavailable. this book contains the following: chapters on 8 types of dangerous men the reasons women so often accept dangerous men as relationship choices early signs of a bad dating choice a general red alert checklist and exercises to help women develop their personal red alert check list stories of women's successes and failures dealing with each type how to promote a do not date list in the community how to develop a support system and an accountability program with other women for safe dating in the future the stories are from ph.d.'s, artists, teachers, and straight-a college girls. also from grocery clerks, athletes, nurses, mill workers, businesswomen, high school dropouts. all of these women have ignored their red flags, dated dangerous men, had to maneuver out of the relationships -- and moved on to meet someone else just like him. the concluding chapters show women how to take responsibility for their own safety and how to get out of relationships safely. table of contents 1. dangerous is as dangerous does 2. red alerts 3. the emotional predator 4. the permanent clinger 5. the "hidden life" man 6. the violent 7. the mentally ill 8. the addicted 9. the parent seeker 10. the emotionally unavailable 11. signs of a bad dating choice 12. the list of undeniable red flags 13. choose wisely, grasshopper ...more

42 RULES FOR B2B SOCIAL MEDIA MARKETING: LEARN PROVEN STRATEGIES AND FIELD-TESTED TACTICS THROUGH REAL WORLD SUCCESS STORIES

social media is changing the way people think about marketing. it's much more than pushing out the same content through new channels. the biggest shift is that communications is now bi-directional; you can (and must) listen to your customers rather than just talking to (at) them. but, with so many social media channels and new rules of engagement, even seasoned marketing p social media is changing the way people think about marketing. it's much more than pushing out the same content through new channels. the biggest shift is that communications is now bi-directional; you can (and must) listen to your customers rather than just talking to (at) them. but, with so many social media channels and new rules of engagement, even seasoned marketing professionals sometimes get stuck on where to begin. this book was created for business-to-business (b2b) marketing professionals who need to move quickly towards a marketing mix that now includes social media. while there are many books on social media marketing, there are few that focus on b2b. while b2b marketing is still the commonly used term to differentiate it from business-to-consumer (b2c) marketing, social media -- and the future of marketing -- is about people-to-people (p2p) communications. in this book, social media practitioners michael procopio, peter spielvogel, and natascha thomson share their combined 20 years of hands-on social media experience explaining how you can best leverage social media for your business. learn how to understand market requirements, engage in conversations with your customers, build awareness for your solutions, and generate targeted leads with social media. using a combination of proven best practices and real-world stories, the authors describe how to maximize your return on investment with facebook, youtube, linkedin, and other popular online channels. the focus is on how to engage more effectively with your customers and prospects using social media. the phased approach used in the book enables you to make steady progress as you move into social media without getting overwhelmed by too many options. instead, the book makes it easy to integrate what you learn into your existing marketing strategy and day-to-day execution, step by step, while avoiding classic mistakes like over-committing resources. providing small and well-defined chunks, this book will help you define what is right for your business, as taking on too much has caused many failures. if you want to remain relevant as a marketing professional and avoid common mistakes, read this book. the authors are donating all their royalties to the khan academy, an organization committed to providing a free world-class education to anyone anywhere. <http://www.khanacademy.org/> ...more
