

## LIBERTARIANISM: WHAT EVERYONE NEEDS TO KNOW

This free ebook about libertarianism: what everyone needs to know by Jason Brennan most tend to associate libertarianism with two central principles. The first is the sanctity of personal freedom, a concept which encompasses everything from reproductive rights to drug legalization to gay rights to banning military drafts. The second is the superiority of free market capitalism over all other forms of economic systems. Brennan shows in this book that libertarians most tend to associate libertarianism with two central principles. The first is the sanctity of personal freedom, a concept which encompasses everything from reproductive rights to drug legalization to gay rights to banning military drafts. The second is the superiority of free market capitalism over all other forms of economic systems. Brennan shows in this book that libertarianism is far more than this. ...more
