RESET YOUR CHILD'S BRAIN: A FOUR-WEEK PLAN TO END MELTDOWNS, RAISE GRADES, AND BOOST SOCIAL SKILLS BY REVERSING THE EFFECTS OF ELECTRONIC SCREEN-TIME

a no-cost, nonpharmaceutical treatment plan for children with behavioral and mental health challenges increasing numbers of parents grapple with children who are acting out without obvious reason. revved up and irritable, many of these children are diagnosed with adhd, bipolar illness, autism, or other disorders but don't respond well to treatment. they are then medicated, a no-cost, nonpharmaceutical treatment plan for children with behavioral and mental health challenges increasing numbers of parents grapple with children who are acting out without obvious reason. revved up and irritable, many of these children are diagnosed with adhd, bipolar illness, autism, or other disorders but don't respond well to treatment. they are then medicated, often with poor results and unwanted side effects. based on emerging scientific research and extensive clinical experience, integrative child psychiatrist dr. victoria dunckley has pioneered a four-week program to treat the frequent underlying cause, electronic screen syndrome (ess). dr. dunckley has found that everyday use of interactive screen devices — such as computers, video games, smartphones, and tablets — can easily overstimulate a child's nervous system, triggering a variety of stubborn symptoms. in contrast, she's discovered that a strict electronic fast single-handedly improves mood, focus, sleep, and behavior, regardless of the child's diagnosis. offered now in this book, this simple intervention can produce a life-changing shift in brain function — all without cost or medication. dr. dunckley provides hope for parents who feel that their child has been misdiagnosed or inappropriately medicated, by presenting an alternative explanation for their child's difficulties and a concrete plan for treating them. ...more

QUEEN BEE MOMS & KINGPIN DADS: DEALING WITH THE PARENTS, TEACHERS, COACHES, AND COUNSELORS WHO CAN MAKE--OR BREAK--YOUR CHILD'S FUTURE

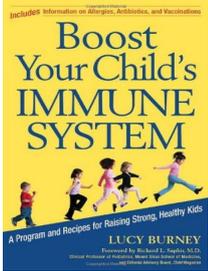

what happens to queen bees and wannabes when they grow up? even the most well-adjusted moms and dads can experience peer pressure and conflicts with other adults that make them act like they're back in seventh grade. in queen bee moms & kingpin dads, rosalind wiseman gives us the tools to handle difficult situations involving teachers and other parents with grace. reass what happens to queen bees and wannabes when they grow up? even the most well-adjusted moms and dads can experience peer pressure and conflicts with other adults that make them act like they're back in seventh grade. in queen bee moms & kingpin dads, rosalind wiseman gives us the tools to handle difficult situations involving teachers and other parents with grace. reassuring, funny, and unflinching, wiseman reveals:

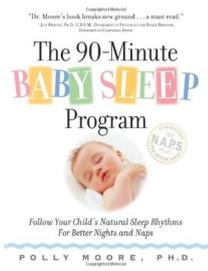

- why pta meetings and back-to-school nights tap into parents' deepest insecurities
- how to recognize the archetypal moms and dads—from caveman dad to hovercraft mom
- how and when to step in and step out of your child's conflicts with other children, parents, teachers, or coaches
- how to interpret the code phrases other parents use to avoid (or provoke) confrontation
- why too many well-meaning dads sit on the sidelines, and how vital it is that they step up to the plate
- what to do and say when the playing field becomes an arena for people to bully and dominate other kids and adults
- how to have respectful yet honest conversations with other parents about sex and drugs when your values are in conflict
- how the way you handle parties, risky behavior, and academic performance affects your child
- how unspoken assumptions about race, religion, and other hot-button subjects sabotage parents' ability to work together

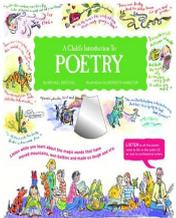

queen bee moms & kingpin dads is filled with the kind of true stories that made wiseman's new york times bestselling book queen bees & wannabes impossible to put down. there are tales of hardworking parents with whom any of us can identify, along with tales of outrageously bad parents—the kind we all have to reckon with. for instance, what do you do when parents donate a large sum of money to a school and their child is promptly transferred into the honors program—while your son with better grades doesn't make the cut? what about the mother who helps her daughter compose poison-pen e-mails to yours? and what do you say to the parent-coach who screams at your child when the team is losing? wiseman offers practical advice on avoiding the most common parenting "land mines" and useful scripts to help you navigate difficult but necessary conversations. queen bee moms & kingpin dads is essential reading for parents today. it offers us the tools to become wiser, more relaxed parents—and the inspiration to speak out, act according to our values, show humility, and set the kind of example that will make a real difference in our children's lives. also available as a random house audiobook and as an ebook from the hardcover edition. ...more
