Free pdf ebook of mr darcy's diary (jane austen heroes #1) by amanda grange monday 9th september "i left london today and met bingley at netherfield park. i had forgotten what good company he is; always ready to be pleased and always cheerful. after my difficult summer, it is good to be with him again. ..." the only place darcy could share his innermost feelings was in the private pages of his diary. torn between his sense of duty to his family name and his growing passion for elizabeth bennet, all he can do is struggle not to fall in love. mr. darcy's diary presents the story of the unlikely courtship of elizabeth bennet and fitzwilliam darcy from darcy's point of view. this graceful imagining and sequel to pride and prejudice explains darcy's moodiness and the difficulties of his reluctant relationship as he struggles to avoid

falling in love with miss bennet. though seemingly stiff and stubborn at times, darcy's words prove him also to be quite devoted and endearing - qualities that eventually win over miss bennet's heart. this continuation of a classic romantic novel is charming and elegant, much like darcy himself. pride and prejudice has inspired a large number of modern day sequels, the most successful of which focus on the rich, proud mr. darcy.
