Download ebook of to a mountain in tibet by colin thubron the mountain path is the road of the dead, writes thubron (shadow of the silk road) in this engrossing and affecting travel memoir that transcends the mere physical journey. in the wake of his mother's death, thubron sets off to mount kailas in tibet, a peak sacred to one-fifth of the world's population and the source of four of india's great rivers. kailas has never been the mountain path is the road of the dead,? writes thubron (shadow of the silk road) in this engrossing and affecting travel memoir that transcends the mere physical journey. in the wake of his mother's death, thubron sets off to mount kailas in tibet, a peak sacred to one-fifth of the world's population and the source of four of india's great rivers. kailas has never been climbed: the slopes are important to tibetan buddhists who say the mountain's guardian is demchog (a tantric variant of shiva). along with two guides, thubron embarks on a pilgrimage that begins in nepal and crosses into tibet, recounting not only his arduous journey but also the political and cultural history of tibet and the west's continued fascination with its mysticism. along the way, he observes pilgrims of various religions converging on kailas and the myriad monasteries, most of which were destroyed during the cultural revolution and rebuilt decades later. it is the poignant

evocations of his mother and sister (who died at 21), interwoven with his profound respect for the tibetan culture and landscape that make thubron's memoir an utterly moving read. - publisher's weekly ...more

### **THE HERLAND TRILOGY: MOVING THE MOUNTAIN, HERLAND, WITH HER IN OURLAND (THE HERLAND TRILOGY #1-3)**

moving the mountain is the first book in charlotte perkins stetson gilman's well known trilogy. the second book in the trilogy is her land mark classic herland. moving mountain delivers gilman's program for reforming society. she concentrates on measures of rationality and efficiency that could be instituted in her own time, largely with greater social cooperation - equal education and treatment for girls and boys, day-care centers for working women, and other issues still relevant a century later. yet gilman also allows for technological progress: electric power is the motive force in industry and urban society, power generated largely by the tides, wind-mills, water mills, and solar engines. herland is a utopian novel written by feminist charlotte perkins gilman. the book describes an isolated society composed entirely of women who reproduce via parthenogenesis. the result is an ideal social order, free of war, conflict and domination. the story is told from the perspective of van jennings, a student of sociology who, along with two friends, terry o. nicholson and jeff margrave, forms an expedition party to explore an area of unchartered land where it is rumored lives a society consisting entirely of women. the three friends do not really believe the rumors as they are unable to conceive of how human reproduction could occur without males. the men speculate about what a society of women would be like, each guessing differently based on the stereotype of women which he holds most dear with her in ourland is the third book in charlotte perkins gilman's utopian trilogy which begins where moving the mountain and herland left off. gilman masterfully compares our real modern male dominated world with an imaginary perfect society comprised of only woman. gilman was a well known and deeply respected sociologist and this trilogy holds an important place in feminist fiction. ...more
